

SUSANA CARVALHO - PINTO

Susana Carvalho-Pinto: "I set up my studio with Kai Bernau in 2005 in The Hague. Atelier Carvalho Bernau works mainly on printed matter (mostly books) and on retail and bespoke typefaces, as well as on free interdisciplinary projects. Most of our clients are institutions, publishers and individuals from the cultural sector (art, architecture, design etc). To find out more about our approach to our practice please read our 'Instead of a Manifesto' in the about section of our website".
