LENA LONGEFAY

"Art is what makes life more interesting than art", R. Filiou.

The artistic practice of Lena Longefay (b. FR, she/her) questions the assumptions that “natural” and “artificial” are not necessarily two opposite notions. Born and raised in a family of winemakers, she is quite fascinated by the relationship between ecosystems and man made traditions in vine growing and winemaking as well as the romanced contradictions it carries, between regional pride, tipsy celebrations, and silent suffering. It is with storytelling that she transforms her research into installations and performances. She lives and works in The Hague (NL), as both an artist and sommelier.
